A cityfitness member may place their memberships On Hold for a minimum of one month through to a maximum of three months. During the On Hold period a **\$17.33 per month maintenance fee will be applied** in lieu of the members standard membership fee. The member is not permitted to use any **CityFitness** location, including any programmes that **CityFitness** offer.

Members can apply for this service at any **CityFitness** location by completing this On Hold form. Please take the time to read this form and fill out all relevant information.
